If we are the body
Why aren't His arms reaching
Why aren't His hands healing
Why aren't His words teaching
And if we are the body
Why aren't His feet going
Why is His love not showing them there is a way

Jesus is the way

Thanks, this is what I was trying to remember.

Our God is so amazing, He loves us so much, He takes care of all of our needs.

Right when they ask me to speak on Sunday, two interpreters showed up. Thank you Jesus.

Larry and I gave them greetings from all of you, and told them of your love, support, and prayers for them. They all started clapping and Praising God for all of you.

The Holy Spirit began the lesson by having 4 college kids come up and sit down, and we told them that they represented part of the body of Christ. (Rt. arm, Lt arm, Rt leg, Lt leg). We had a table in front of them, and ask each part separately to lift the table. Of course they could not. Then we explained the function of The body of Christ, Christ being the head, and how we are to work together not unto men but unto God for His purpose. Then they all got up and moved the table. After the lesson we heard them talk about this, so it really made an impression on their minds, and in their hearts. Praise God

The night before, the evangelizing team put on a show. It was about good vs evil, about Adam and Eve in the garden. They did a wonderful job. We had them come to the front of the Church and ask Angel, the head of the program if he could have done the whole show by himself, of course he said no. Then we ask all in the show if they could have done it by themselves, of course no. Then we explained how important each one of us is to the body of Christ. We told them thank you for letting God use them in the show, and that God was Glorified. The congregation had scriptures that they read on how the Body of Christ functions. At the end we had scriptures in large letters (in Spanish) on a screen and we all read them out loud.

Then we all celebrated the Church's 27th Anniversary. One member spoke about how it got started 27 years ago with just the family and 5 members. Then he told of all that God has done through His Church. Then we all prayed for Pastor Jamie and Graciela and Natty, and for the continuing work of the Holy Spirit in their Church. They brought down the propane cooking unit and the dishes for feeding the children and gave thanks to our Lord for them and the people who God used to provide them.

Wanted to share some of the good fruits we have seen from the last Mission Trip. This couple and this teenager were the ones we were all praying for last year.

There was a couple that was having a very difficult time in their marriage, they were headed for a divorce and things were getting really bad. We were able to talk with the Pastors and Natty about this, and we all pray together and shared scriptures and what God's will was for them. The team went over and prayed with them separately and gave them their support.

Only by an act of God they are back together and have a little baby. Thank God for the support of the Body of Christ for this couple. They are both active in the Church.

One of the brothers of a member of the Church had gone astray and did not want any thing to do with God. Praise God the Sunday that Bruce and Melinda were here, he got baptized and become a member of the Church. He is very active in the band and the evangelizing program.

On this mission trip we are seeing a lot of growth in a lot of the members and in us, being transformed in our minds and hearts in the Image of Jesus. We separate all the Glory to Him.

From a Prayer Partner; We are praying in agreement for this. Looking for breakthroughs in all areas and for the Lord to come to us as the rain...Hosea 6:3 Hos 6:3 And let us know, let us follow on to know Jehovah: his going forth is sure as the morning; and he will come unto us as the rain, as the latter rain that watereth the earth.

God bless and keep you both and all the brethren there. Praising Him for the mind of Christ in all you do there. You are fortunate to have all the prayer support He has given you.

Yes we are very fortunate for all of you, that He has given us.

Love in Christ Larry and Kay
