

Jan – Feb 2008 report

We are so excited of what God is doing in Bolivia. The money that was given for putting in windows and doors to the first and second floors of the church building is really coming along great and will be finished before winter. It is such a huge blessing for them to keep warm and healthy during the winter.

Pastor Jamie's third son (Aaron) just graduated as a Pastor. Praise God!!! He is the Jr. and Sr. high Pastor and the Pastor for evangelizing program at the Villa Moscu Evangelical Church.

What a Blessing that so many children received Christmas gifts from the Mission church, which were provided from the Blue Ridge Community Church in Happy Jack Az. Thank you Jesus.

Another blessing is the continuing of the program of feeding the children and presenting the gospel and disciplining the children every Saturday. God has put it on the hearts of prayer partners, the Wickenburg Church, and a Church in Connecticut, to help feed the children. Hallelujah!!!!

Senior Pastors Javier's son, Pastor Israel, is getting married and wanted us to be witnesses at their wedding. We knew it had to be an act of God if we would be able to go since we just got back from Bolivia in Nov. and had not had time to raise the money for another Mission Trip. We went into prayer seeking His will on this. Early in Feb, our Lord gave us Peace about going. Since that time, things jst started falling into place. That is just like our God to answer our prayers, give us peace, and prepare the way.

We feel very humbled and honored that God has called us to be a helping hand in assisting the body of Christ in Bolivia to get their people saved, healed, baptized in the Holy Spirit, and made complete in Christ.

Thank you for being our prayer partners, you all are such an important part of our Mission trips. Our flight information is:
