

October 2007

Dear Special Friends and Partners,

We bring greetings to you in the wonderful name of Jesus Christ our Lord and Savior, believing that very soon He is coming to take the church with Him.

I am very excited that I am able to report to you what is going on here in the harvest field. Satan has been trying hard to fight us by bringing all kinds of attacks in the ministry and our bodies through sickness, but this morning I am happy to report to you that the evil one is defeated by the blood of Jesus Christ, Amen.

First and foremost, we would like to thank you all for your special prayers and support towards this ministry. We are here to work for the Lord and anticipate His glorious coming. By so doing we are trying our level best with little resources which is available and your support to make sure that the un-reached are reached with the good news!

Last Week we had a great Gospel Crusade in one of the villages here in Kenya. I am very excited to report that our Crusade stage is finally completed and last week the crusade was used to unveil the launching of the Crusade stage. We deeply express our gratitude to all those who contributed towards this Crusade stage. Many people from the states and here in

Kenya gave and did a lot of work to make sure that we have our own stage for the glory of God. Actually we lack words to express our joy because our crusade stage is the best among several here in Kenya and East Africa Region. Now we would like to thank you all who contributed through prayers and financially towards this stage project.

We also thank those who gave for the tents during brother Wendall Nance Memorial. The tents are very useful coz our young people are having some very good time sleeping inside the tents at night after the meetings every day.

Last Week beginning from Friday the 5th though Sunday the 7th, we had a great Gospel Crusade whereby thousands of people attended. We are just learning through the decision cards that 827 people gave their lives to Jesus during the Crusade. Many were also delivered from Satan attacks. In this village where we had our Crusade many people are very deep in witchcraft and devil worshipping. There was an incident at the crusade whereby a lady from the devil worship group had been sent by her colleagues to come and stab me with a knife for holding a crusade. When she came to the crusade, there were two of them and the second one was actually the one carrying the knife and ready to carry out their mission. They stood at the crusade waiting to accomplish what brought them during prayer time. When I started praying for people, the power of God touched her and she fell down rolling in the dust everywhere. When her colleague noticed what had happened, he left from crusade and ran through some corn plantations.

I moved closer to her with other pastors and she wanted to fight me and I realized that it was the demons that were trying to fight. We rebuked the forces of darkness and principalities and she was finally delivered. During the testimony she revealed all their plans and how she was being driven by the powers from 16 different evil spirits.

Many people received some instant healings at the Crusade as well. We thank God and our plan is to go around this country especially in villages preaching the good news and praying with people especially those ones in bondage for their deliverance. Please pray with us because the enemy is so mad and feels like we are trespassing into its territory.

We again deeply thank you for your generous support and prayers.

God bless you.
